

Shirley Martey Hargis is the Senior Data & AI Policy Analyst at ManTech's Data & AI Practice and nonresident fellow at the Atlantic Council's Digital Forensic Research Lab in Washington, DC. She is a geopolitical strategist with over a decade of experience in China's and Taiwan's foreign affairs and domestic politics, focusing on China's affairs with the United States, Africa, the Indo-Pacific, and Russia. Prior to her current role, she was Third Way's Senior China Policy Fellow for the US-China Digital World Order Initiative and led CRDF Global's Countering PRC Acquisition of Weaponizable Tech & Talent team. Her work relates to issues including integrated circuits, emerging technologies, and supply chains in consulting; the intelligence service as a government contractor; and policy research. She has lived in China and Taiwan and speaks fluent Mandarin Chinese and Twi. She is a Council on Foreign Relations Term member and Member of the Board of Advisors at the George H.W. Bush Foundation for US-China Relations and CIPA Global Advisors.
